The President's Desk

A Message From Your President:

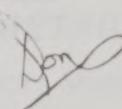

Greetings to all of you collectors and dealers around the state. I hope you had an enjoyable winter — either here in Iowa or perhaps on a vacationn to sunny Hawaii, California, Florida or wherever one escapes cold winds and snow! As for yours truly, I did not attend the big coin show in Hawaii, but first-hand information from some who did attest to the beautiful surroundings. My vacation consisted of a non-numismatic trip to the Bahamas. Being a paper money collector of some time, you can imagine my surprise to learn that they use a \$3.00 bill down there!

Getting back to numismatics in Iowa, at the risk of sounding like a broken record, I want to again urge you to get involved with our hobby. Have you attended your local club meetings and taken a want list or a pocket full of duplicates to the last local show? As many of you already know, April is the month we celebrate National Coin Week. At your club, why not discuss how a few of you can make up some displays for Banks, Savings and Loans, Public Libraries, or other places where we can promote our hobby with the general public?

Also, I would again like to mention our upcoming State Show in Des Moines September 25-27. One event we are pleased to announce is the A.N.A.C.S. Counterfeiting Seminar to be conducted at our show. This seminar will be well worth your time to attend, as so many mistakes can be avoided with a little concentrated education into the counterfeit field. We have set up three sessions for the seminar: Friday, 7:00-9:00 P. M., Saturday, 7:00-9:00 P. M. and Sunday, 10:00-12:00 A. M. This entire program will be informative on a level easily understood by dealer and collector alike. The total cost for the three sessions is \$50.00. Please contact Director Burl Armstrong now for a reservation, so that you are not disappointed. We can accommodate only about the first forty people to register.

Well, keep collecting and may the only fever you catch be Spring Fever!

Numismatically yours,

From The Secretary's Desk:

If you sent in your dues and haven't gotten your membership card yet, please be patient. At the time I am writing this I am busy packing for a three week vacation in Florida which Harry and I are really looking forward to. This trip is a year late in happening, but I think we are going!

The first issue of this bulletin will be starting the year out with a bang. Be sure and read the "Meet Your Director" series. These people really do want to work for you and make this year a bigger and better one for you and the I.N.A. Also, at the fall directors' meeting in Sioux City, a request was made to redistrict the state to spread the Club representation out. There are three maps for you to study. I have noted the number of Clubs in each district on each map. A recommendation is to be brought before the board at their meeting at the Coin-A-Rama on February 28 and will be brought up at the General Meeting at the State Show in Des Moines.

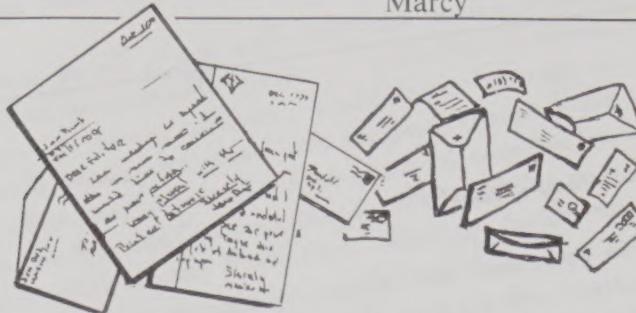

I hope the winter has given you the time to spend with your hobby, and that your enjoyment and profits have grown, too. We need an outlet for the stress in our lives, and working with coins is a good relaxer. They tell us a hobby will help, so here's to a long life!

JoAnn Peters, Sec.-Treas.

DEADLINE DATE

Thank you,
Marcy

Club News

The Ames Coin Club is celebrating its 20th birthday this year. Larry Ballard, club secretary, has been instructing an Adult Class and a Youth Class on coin collecting at the Y in Newton. The adult class includes coin collecting basics; grading, care and storage, types of collections, investment potential and coin shows. Included in the youth class is coin collecting basics, type of collection, clubs, knowing coin dealers, and coin shows. There was also a possibility they would be attending the Coin-A-Rama as a group. Larry, also, designed the wooden nickel advertising the 18th Mid-Iowa Coin-A-Rama.

A few changes were made in the Burlington Club's By-laws. Their library is now located at the Burlington Public Library. The club shall maintain a library department consisting of two board members. One shall be appointed by the president, and one shall be the Club's president.

The contest will end June 30 and the clubs with the largest gains will be recognized at the State Convention in Des Moines. They hope this friendly competition will help to build the membership of all the clubs in Iowa, and also give many new collectors an opportunity to join a club.

WESTCHESTER

**An auspicious rare coin auction sale to be held in
one of the wealthiest residential areas in the world**

Cunningham's is truly pleased to be in charge of the prestigious New York-Westchester Sale. The Westchester County area is home to some of the richest people in the world, and to many of the world's most dedicated coin collectors. Naturally, we are anticipating a large turnout of very competitive buyers for all types of coins.

About Westchester County...

Flanked by the jagged coastline of Long Island Sound on the east and the indomitable Hudson on the west, the tapestry of Westchester is richly woven. Verdant hills abound, broken by meandering rivers and shimmering patches of blue. Surprisingly, in the cultural hub of the world, you can still find two rapidly shrinking commodities...space and time. Houses articulating a grandeur that is always dignified, never gaudy, sprawl over the rolling countryside, surrounded by spreading lawns and magnificent gardens.

Hotel accommodations are among the finest to be found anywhere, from the very plush and expensive to the very comfortable and moderate.

Cultural activities are plentiful in Westchester County, especially during the summer months, borrowing from the wealth of theatre, music and art talent in the New York area.

Sightseeing is a delight with many historical mansions and landmarks open to the public.

Antique lovers will be enthralled by all the shops and galleries in Westchester - some of the best in the world.

When you want to play there are activities to interest everyone: bicycling, tennis, golf, horseback riding, squash, racquetball, scuba diving, sailing and more.

And, if all this were not enough, just to the south of Westchester is New York...the most exciting city in the world.

Begin planning now to experience all this. Consign your coins to Cunningham's and participate in the fabulous New York-Westchester Sale this summer.

PAST PRESIDENT DIES

Harold Baker, president of the INA in 1957-1958, passed away from an apparent heart attack in Laguna Beach, California.

"After a period of collecting United States coins, Harold turned to U. S. paper money with emphasis on Iowa National Bank Notes. His collection of these notes, probably the most extensive in existence, was acquired by the Central National Bank of Des Moines, where it is still intact. Harold was active in organized numismatics, having served as president of the Des Moines Coin Club and the Iowa Numismatic Association and in other lesser offices."

CHALLENGE CLUBS TO MEMBERSHIP-DRIVE CONTEST

The Clarion Coin Club would like to challenge all clubs in Iowa and the INA to a membership-drive contest.

We all would like to have more members in our clubs. This challenge is to encourage all clubs that participate to fire up their own members, and to seek out other people who enjoy coin collecting, but have never been approached to join.

In order to qualify, we would ask all clubs accepting this challenge to send Don Mark, INA President, P. O. Box 1, Adel, Iowa 50003, the total number of 1980 paid memberships. The winner will be determined on the largest percentage increase over 1980. The contest will end June 30, 1981 and the INA will be the final judge.

The winner will be presented a plaque at the INA State Convention in Des Moines.

Send in your 1980 membership totals now and join the challenge!
